

FURNITURE AND UPHOLSTERY  
MANUFACTURER SINCE 1967

FraJumar

# Pasado, Presente y Futuro

*Past, Present and Future* | *Passé, Présent et Futur*

**ES** Al contar la historia de la empresa, a veces tendemos a idealizar su origen, como si fuera la historia de un personaje. Pero una empresa no es una persona: es el resultado de la tenacidad, del trabajo constante de muchas personas alineadas.

**¿Quién hubiera imaginado que lograríamos hacer todo esto?**

**EN** *When telling the story of the company, we sometimes tend to idealise its origin, as if it were the story of a character. But a company is not a person: it is the result of tenacity, the constant work of many people working together.*

**Who would have imagined that we would be able to do all this?**

**FR** *Lorsque l'on raconte l'histoire de l'entreprise, on a parfois tendance à idéaliser son origine, comme s'il s'agissait de l'histoire d'un personnage. Mais une entreprise n'est pas une personne: c'est le résultat de la ténacité et du travail constant de nombreuses personnes alignées.*

**Qui aurait pu imaginer que nous serions capables de faire tout cela?**

Francisco Juan Martínez y Carmen Ortíz  
Fundadores de Frajumar en 1967
